

From 1909 until 1916 Mr. Charles Nash was President and General Manager of the General Motors Co. building the Buick, Cadillac, Oakland and Olds, four of the leading high grade cars.

For 6 months after the Government reorganized its aviation program, Mr. Chas. Nash was in charge of the Engineering and Production Departments of the Aeroplane War Program. The Banks voluntarily offered Mr. Nash

ONE HUNDRED MILLION DOLLARS

if he needed it in his new 100 acre factory at Kenosha, Wis. Mr. Nash built more trucks for the government during the war than any other. Do you need any further proof that Mr. Nash knows how to build

THE BEST CAR ON THE MARKET?

Now don't buy as costly a piece of machinery as an automobile without finding out what the Nash has in it all the way from the bumper to the gas tank. :: ::

"Your Nose Knows"

All smoking tobaccos use some flavoring. The Encyclopaedia Britannica says about the manufacture of smoking tobacco, "... on the Continent and in America certain 'sauces' are employed... the use of the 'sauces' is to improve the flavour and burning qualities of the leaves."

Tuxedo uses chocolate—the purest, most wholesome and delicious of all flavorings! Everybody likes chocolate—we all know that chocolate added to anything as a flavoring always makes that thing still more enjoyable. That is why a dash of chocolate, added to the most carefully selected and properly aged burley tobacco, makes Tuxedo more enjoyable—

"Your Nose Knows"

Try This Test: Rub a little Tuxedo briskly in the palm of your hand to bring out its full aroma. Then smell it deep—its delicious, pure fragrance will convince you. Try this test with any other tobacco and we will let Tuxedo stand or fall on your judgment—

Helps Sick Women

Cardui, the woman's tonic, helped Mrs. William Eversole, of Hazel Patch, Ky. Read what she writes: "I had a general breaking-down of my health. I was in bed for weeks, unable to get up. I had such a weakness and dizziness, ... and the pains were very severe. A friend told me I had tried everything else, why not Cardui?... I did, and soon saw it was helping me... After 12 bottles, I am strong and well."

PERIODIC BILIOUS ATTACKS.

Persons subject to periodic bilious attacks will observe that their appetite fails them just before an attack. This is, they do not really crave food but eat because it is meal time. If they will eat only a light meal and no meat then take two of Chamberlain's Tablets the attack may be avoided.

See the Mountain City Marble Co., Mountain City, Tenn., if you need a monument or slab. Their prices are away down. Stock was bought before the war.

Who Benefits By High Prices?

You feel that retail meat prices are too high.

Your retailer says he has to pay higher prices to the packers.

Swift & Company prove that out of every dollar the retailer pays to the packers for meat, 2 cents is for packers' profit, 13 cents is for operating expenses, and 85 cents goes to the stock raiser; and that the prices of live stock and meat move up and down together.

The live-stock raiser points to rising costs of raising live stock.

Labor reminds us that higher wages must go hand in hand with the new cost of living.

No one, apparently, is responsible. No one, apparently, is benefited by higher prices and higher income.

We are all living on a high-priced scale. One trouble is, that the number of dollars has multiplied faster than the quantity of goods, so that each dollar buys less than formerly.
